

PUBLIC RECORD DISCLOSURE REQUEST FORM

INSTRUCTIONS TO REQUESTOR:

In accordance with state law, within five business days of receiving a public record request, we will respond by either (1) providing the record; (2) acknowledging that the agency has received the request and providing a reasonable estimate of the time the agency will require to respond to the request; or (3) denying the public record request.

This form should be completed in its entirety and may be emailed, faxed, mailed, delivered in person or requested verbally. Verbal requests may require more time to process because they require the Public Records Officer to reduce the request to writing and verify with the requestor that the written form properly memorializes the request.
